President's Message

As I am writing this welcome in early May, we are just beginning spring planting – waiting not so patiently for warm dry weather to get those precious seeds into the ground. It is hard to fathom that in just over 4 months – after much background work and hours of volunteer labour- we will be celebrating harvest time with the 161st edition of the Thorndale Fair. Perhaps some of you don't realize how lucky we are to live in a community like this one- one that has a vibrant and hardworking core of people. I was raised on a farm north of London that didn't have that strong sense of community. My address was from one town, my phone number was another, I went to school in another town and never had the opportunity to go to local church suppers or to support a local organization. When I got married and moved to the family farm in Thorndale, I found family in the people here. I realized how important it is to give back to OUR community and to become involved in order to ensure that Thorndale remains an engaged, stimulating place to live and raise our families.

As you read this Fair Book, take the opportunity to see how YOU can become involved. Maybe as a new resident you will attend the Fair for the first time with your family. If that is the case – Welcome!! We will do our best to entertain you! If you've been coming to the Fair for a few years you may want to start entering items in the Homecraft or School Fair. We do our best to make that an easy, fun thing to do. If you are looking for a more hands on way to become involved we are always welcoming new members on committees- you may want to work at the gates, or help with set up or tear down. If you are looking for someone to ask you to become involved – consider this your invitation! You can contact myself or any member of the Thorndale Agricultural Society.

As you walk around the Fair this year take the opportunity to smile and chat with old friends and to introduce yourself to someone you haven't yet met. If you see a volunteer please help us by thanking them for their contribution to the Thorndale Fair.

On behalf of myself and the Board of Directors of the Thorndale Agricultural Society I would like to thank everyone who has worked so hard to make 2018 a great year for the Thorndale Fair.

Thanks for attending!

Connie Bontje, 2018 Thorndale Agricultural Society President

Homecraft President's Message

Welcome to the 161st Thorndale Fall Fair! It will be hard to top last year's 160th with our record breaking fundraising pie auction, the record breaking amount of water we sold at cookie corner (most likely related to the record breaking heat!), and the record breaking amount of wonderfully prepared exhibits proudly entered by all the children and youth in the school fair.

This year's theme is 'Fun for the Whole Herd'- I can't wait to take a look at all the exhibits entered, the crafters and vendors on display, and all the preserves entered (we also had record breaking jam entries for the 160th). I am sure we will see some clever ideas and entries with a theme like this!

I would like to thank all the exhibitors, Homecraft committee members, and volunteers. It takes all of you, to ensure that we have the best celebration possible for our community year-after-year.

So bring your 'herd' to this year's fair- visit those exhibits, eat those cookies, and buy those pies- so we can see what records we can break for the 161st Thorndale Fall Fair!

Lynndsay DeClark, Homecraft President

Ambassador's Message

I am very honoured and excited to welcome friends, family, neighbours and visitors to the 161st Thorndale Fall Fair! This past year as the 40th Thorndale Fall Fair Ambassador has been full of memorable and rewarding experiences, new friendships and personal growth.

It's hard to believe that my year as Thorndale Ambassador has gone by so quickly, but what an action packed year it has been. It has been a remarkable experience becoming more involved in the community, by attending local events such as the 160th Fall Fair, Dinner Theatre, the Lions Christmas Parade and the Winter Carnival. It has also been a true honour representing our small, incredible community biannually at the District 13 meetings as well as the O.A.A.S convention, and the CNE Ambassador Competition. Representing Thorndale at these events has opened my eyes not only to how amazing and special our small town is but to a broader understanding of agriculture.

This incredible year would not have been possible without the support of family, friends, sponsors and the Thorndale community. A huge thank you goes to my family and friends for their kindness and constant faith in me throughout this year. From the beginning of this year I was welcomed with open arms into the Fairboard Executive - a group of people who dedicate their time to run one of the best rural fairs in our area. Thank you for your endless words of wisdom, support and encouragement. I also want to thank my sponsors the Horticultural Society and the Women's Institute. It has been a true honour representing your organizations. I would not have been able to accomplish all I did this year without the endless amount of support from all of these people.

To anyone who is considering entering the 2019 Ambassador Program, I highly encourage you to do so. The experiences, memories and friendships I have made over the year I will always cherish.

Thank you again to the Fairboard, my sponsors, and to the entire Thorndale community for the amount of support, guidance this year. It has truly been a remarkable experience and I will treasure the memories and friendships forever.

Aleida teBokkel, 2017 Thorndale Fair Ambassador
